Key duplication

Only **VIGHI security doors** is able to carry out the **duplication of protected-profile keys** for its security doors. Key duplication can be requested through your local Dealer or directly from the Company.

To request key duplication through a **Dealer**, you must present the **SECURITY CARD / CODE CARD** supplied with your VIGHI security door and provide:
- the number of keys required
- the key type (specify the type of key to be duplicated and, in particular, the **COLOUR OF THE KEY HEAD / handle**)
- Depending on the model of your Vighi security door, the keys may be:
- **Metal key**
- **Blue-handle key**
- **Red-handle key**
- **Black-handle key**
- **Yellow-handle key**
Important: each colour identifies a different functionality.

The Dealer will also request additional personal data in order to process the order.

Requesting key duplication directly from VIGHI

To request duplication directly from VIGHI, you must send an email to
chiavi@vighidoors.it including:
- a copy (photo or readable scan) of the **SECURITY CARD / CODE CARD** supplied with your VIGHI security door
- the transcription of the **alphanumeric code** printed on the CARD
- the number of keys required
- the key type (specify the type of key to be duplicated and, in particular, the **COLOUR OF THE KEY HEAD / handle** – see above)
- a copy of a valid ID document (front and back)
- a copy of your tax code
- a photocopy or photo of the key to be duplicated
- a telephone number (necessary for potential contact, including by the courier)
- residence and billing address
- delivery/shipping address if different from the billing address

*Note: For duplication requests made by companies, where the order and invoice must be issued to the company, please provide the exact company name (**pre-printed company name**) along with VAT number and Tax Code.*
Once the request has been reviewed, a quotation will be provided, including shipping and payment details.
Key delivery takes place within **4–5 working days** from order confirmation, either at the Dealer's location or to the specified address via the selected courier.
